RADIO-PRESS RELEASE

Within the framework of the 2019 Academic Mobility Programme, the Minister of State, Minister of Higher Education, hereby informs the national university community that his Ministry has allocated some assistance to research Teachers and students of State Universities to enable them to complete their research work in Cameroon and abroad.

This assistance from the government is in line with the constant concern of the Head of State and his desire to further improve the working conditions of members of the university community, in order to boost university research.

The file shall constitute the following:

- An application addressed to the Minister of State, Minister of Higher Education;
- An invitation letter from the Institute, research Centre or receiving University (for a research mission abroad);
- A recommendation letter from the Thesis Supervisor (for research within the national territory);
- The level of advancement of work signed by the supervisor;
- An information sheet (To be downloaded from MINESUP website: www.minesup.gov.cm).

The complete files, one (1) copy, shall be submitted at the Ministry of Higher Education, Secretariat of the Technical Adviser No.1, Ministerial Building no.2, Room 1034 or to the Deputy Vice-Chancellor in charge of Research, Cooperation and Relations with the Business World, latest **3 June 2019**, at 3.30 p.m. prompt.
