NOTICE: MINESUP, through OMDES, in partnership with CCAA, is launching a Call for Expressions of Interest for two (02) academic internship positions and one (01) professional internship position in the fields of environment, taxation, and statistics. These internships are based at CCAA headquarters, Air Base 101, Mvan, Yaoundé.

I. BACKGROUND AND PURPOSE OF THE CALL

CCAA is Cameroon's civil aviation regulatory authority, established by Law No. 2013/010 of 24 July 2013, placed under the joint oversight of the Ministries in charge of Transport and Finance. Subject to ICAO standards, it offers a demanding and instructive immersive environment. These internships are primarily intended for students from traditional academic faculties, whose skills in law, management, communication, languages, and the humanities represent valuable contributions to a public regulatory institution of this scale.

II. PRESENTATION OF THE HOST INSTITUTION

CCAA (Cameroon Civil Aviation Authority) is located at Air Base 101, Mvan, P.O. Box 6998, Yaoundé. In addition to the Directorate General, it comprises six (06) Directorates: the Directorate of Aviation Safety (DSA), the Directorate of Security and Facilitation (DSF), the Directorate of General Administration (DAG), the Directorate of Financial and Material Resources (DRFM), the Directorate of Airport Operations and Command (DECA), and the Technical Directorate (DT).

III. POSITIONS OFFERED AND REQUIRED PROFILES

The three (03) positions are distributed among CCAA's directorates. Standard duration: three (03) months.
